To Whom It May Concern,

I am writing to offer my support for Melynda von Wayward to continue her research into the Melbourne Punk scene 1977-1987, culminating in the completion of the multimedia website punkjourney.com.

An exhaustive archive of this pivotal era in Australian musical and cultural history is hugely important – helping us to understand the significance of the music and surrounding culture of this time, and its influence on the years following.

Melynda seems to me to be committed to the task with diligence and passion.

Yours,
